Research: Discover the basis of INTA's expertise.

Over the years NDU professors Dr. Nazir Hawi, Dr. Maya Samaha Rupert, Dr. Jocelyne Matar Bou Mosleh, and Dr. Doris Jaalouk have compiled an extensive body of research into internet and technology addiction. These studies serve as the basis for INTA's expertise and will help pave the way forward in terms of outreach, further research, and, eventually, proposed legislation.
