AMERICAN UNIVERSITY OF BEIRUT MEDICAL CENTER

Since 1902, the American University of Beirut Medical Center (AUBMC) has been providing the highest standards of care to patients across Lebanon and the region. It is also the teaching hospital for the Faculty of Medicine at AUB (established in 1867) which has trained generations of medical students and physicians; and its graduates can be found at leading institutions around the world. AUBMC is the only medical institution in the Middle East to have earned the three international accreditations of JCI, Magnet and CAP, attesting to its superior standards in patient-centered care, nursing, and pathology/laboratory services. Committed to its role as regional leader, AUBMC's impact on the medical sector and on improving people's lives is without equal in the Arab world. AUBMC has also outlined an ambitious new plan for the future - AUBMC 2020 which will transform health care delivery for the coming century.

WORLD PATRIARCHAL MARONITE FOUNDATION FOR INTEGRAL DEVELOPMENT - WPF

The "World Patriarchal Maronite Foundation for Integral Development" is established by a decree, and pursuant to canon no.1047, article1, clause 1, of the code of canon laws of the eastern churches as a pious independent institution subject to the ecclesiastic laws related to the temporal funds of the church and religious waqef. The foundation aims to launch social, economic and educational programs to promote the active Christian presence in Lebanon and in the Middle East within the principles, mechanisms, and organizational structure as determined by the constitutions and by-laws.

The scope of WPF's Community Employment Office revolves over four major principles.

Identifying job-seekers and providing assistance through one-to-one coaching sessions, career guidance and follow-up.

Identifying private-sector employers through networking and partnerships.

Connecting job-seekers to matching available job opportunities that correspond to their profile, needs and requirements and prepare them through the recruitment process.

Enlarging its database of both job seekers and private sector companies in order to maximize the profile/job matching opportunities.
