Biography

Mrs Jacqueline Soghman joined NDU on February 2008 and currently holds the rank of Assistant Professor. She holds a BA in Graphic Design from NDU (1997), an MA (2007) in Graphic Design and an MFA (2011) from Savannah College of Art and Design, USA. She has been teaching the multimedia courses covering digital media and motion graphics as well as the Senior Studio. She is serving as a jury member for the Animation Films for NDU's International Film Festival since 2012. Her current research interest is the evolution and implementation of user experience in the creative process.
