*NDU Graduates Wear their Achievements Proudly.
Help us celebrate them.*

Notre Dame University (NDU) considers it imperative to acknowledge one of its most important stake holders; its alumni. Each year, NDU Alumni Affairs Office will recognize those who have distinguished themselves and made particular contributions to NDU community and to society at large, through outstanding achievements.

Award recipients spanned the generations beginning from the first graduating class of 1990-1991 down to the present and from different specializations.

NDU Alumni and their friends are look forward to seeing you there.

Kindly check your e-mail and the facebook frequently for updates about the visit.

Truly NDU,
Simon A. Abou Jaoude
Director, Alumni Affairs Office
