Dear Dr. Hayek,

At their February 2022 meeting, the directors of the National Architectural Accrediting Board (NAAB) reviewed the application for eligibility for candidacy for the Notre Dame University-Louaize Bachelor of Architecture program.

Based on the NAAB review, the proposed professional architecture degree program, Bachelor of Architecture (172 credits), has been accepted as eligible for candidacy. A virtual visit for initial candidacy will be scheduled in fall 2023. This visit will be conducted under the provisions of the [2020 NAAB Conditions for Accreditation](#) and the [2020 NAAB Procedures for Accreditation](#).

The program is required to submit an Architecture Program Report (APR) for Initial Candidacy six months before the date of the visit to NAAB at accreditation@naab.org. As the program is developing its APR- IC, it must address all Conditions and sub-conditions.

If you have any questions, please contact the NAAB office at accreditation@naab.org.

Sincerely,

David L. Hoffman, FAIA, NCARB
President
