## Biography

Talie Kassamany joined Notre Dame University in 2003, as a part-time faculty member after finishing his BBA and MBA degrees in Finance from the American University of Beirut (AUB). In 2005, he was appointed as a full-time faculty member at NDU Shouf Campus. Talie taught at other universities in Lebanon. He has also an MSc degree in Management and Business Studies Research and a Ph.D. degree in Finance and Accounting from Kingston University-London in UK. The external examiner of his Ph.D. thesis was Professor Geoff Meeks from Cambridge University. Talie wins the Director of Research Prize from London due to his research contributions in the area of Merger and Acquisition in UK. In addition to his teaching load and coordination duties as well as theses supervision, he is a member in several academic committees. He participated in international conferences and published in refereed journals.
