At the confirmation stage:

1. The system will allow the student to go below the registered number of credits provided he/she maintains 12 undergraduate credits and/or 3 graduate credits.
2. The system will check all academic rules and if cleared, you are officially registered.

## Important Note

At the end of the Confirmation period and just before the Drop/Add period, students who fail to confirm their registered courses **will have their courses automatically dropped by the system** and will be financially penalized (25% of the registered credits).

## Drop/Add | Late Registration

The **Drop/Add period** will proceed as usual where students can drop/add courses.

If the student drops more credits than he/she adds, the student will be penalized (25% of the registered credits).

If a student drops courses after Drop/Add period, he/she will be subject to 100% penalty on courses dropped.

Students who did not register will be able to register during the Late Registration period **with a penalty fee.**
