President List Policy
For Special Financial Assistance

PURPOSE
The purpose of this Policy is to streamline the granting of special Financial Assistance to students.

PREAMBLE
Notre Dame University- Louaize (NDU) has created several services providing its students with adequate financial resources necessary to achieve their educational goals.

However, some students may face severe situations or may pass in times of crisis needing additional support than the ones offered by the NDU Financial Aid and Scholarship programs.

POLICY STATEMENT
In compliance with the University mission and its Catholic heritage and with the belief that education cannot be denied due to economic constraints, the President of NDU reserves the right to support undergraduate and/or graduate students enrolled at NDU.

SCOPE
This Policy shall apply to any undergraduate and/or graduate student enrolled at NDU in any campus.

DEFINITION
Special Financial Assistance is a financial support provided to students, outside the regular Financial Aid and Scholarship programs of the University.

AUTHORITY
The President is authorized to grant special financial assistance to students, provided that the total amount granted in a semester does not exceed a percentage of the total nominal tuition revenue at NDU in the said semester. This percentage is set yearly by the President and approved with the University Budget by the Board of Trustees (BoT).

From the budget assigned to the President list, the President may allocate a percentage to be disbursed by the Campus Directors.
